Subject: KSTC Announces RFP for KSEF-RDE-020

FOR IMMEDIATE RELEASE
21 October 2016

Contact: ksefpm@kstc.com

The Kentucky Science and Technology Corporation (KSTC) announces a new Request for Proposals (RFP) opening on or around November 18, 2016. This round of funding, RDE-020, is open to scientists and engineers from accredited universities, colleges and other postsecondary institutions, and to small businesses in the Commonwealth of Kentucky.

Changes to the [program guidelines](#) will be posted on our website. Consult the most current document and the upcoming RFP for details on maximum award size. The period of the grant request will not exceed 12 months.

Feel free to share this announcement with others.
